

# Themed Christmas Parties

## What are they....?

Festive opportunities to thank your colleagues for the year's work. Whether you like to celebrate in a traditional fashion, or prefer a slightly alternative theme, tailored Christmas parties will provide merriment for all.

## How do they work?

Choose your own venue or let us help select one. Then you can sit back, sip a mulled wine and allow MotivAction to organise everything.

We'll design and run the party to suit your own preferences. Don't worry about sending the invitations, tracking the guest list or getting everyone there (or back again). As well as this, we can arrange the theming, setup, props, entertainment, lighting and food. In fact, the only thing we can't do is stop you receiving another pair of socks.

With all our parties, guests will be greeted at the door by a costumed character who will give out drinks and themed props to get everyone in the mood.

Whichever theme you choose, an evening of enjoyment is guaranteed.

## Classic Themes

### Traditional

It's the Christmas atmosphere everyone knows and loves. Deck the halls for a traditional celebration with turkey, mince pies, and mistletoe, complete with a Christmas tree and visit from Santa Claus and his elves.

### Dickensian

'Please sir, can I have some more Brussels?' A Dickensian Christmas allows all to be transported back to a time of top hats, roaring fires and woollen gloves with holes in. Whether you've arrived in a horse drawn carriage or wandered the snowy streets, everyone can rejoice in the carol singing and yuletide feasting. No scrooges allowed.

### Pantomime

Full of slapstick, melodrama and silly games - a Pantomime Christmas will always be memorable. Costumes aplenty and role reversals see dames and principal boys entertain the guests with bags of thigh-slapping and audience participation. Oh no there isn't! Oh yes there is...

### Winter Wonderland

Celebrate the festive season in a dreamlike world with snow falling, sparkling icicles hanging from log cabins and bright lights dazzling the senses. In a venue awash with white satin sheets and silver glitter, guests can chat to the snow queen, wander amongst ice sculptures or even take to an ice rink.

**With completely bespoke events available, we can help to make your Christmas a very merry one, however you would like to celebrate!**
